PAL QUIICK

Full Synthetic Oils

Last Revision: 25/07/19

Description

PAL QUIICK oils are full synthetic high performance, low-friction engine oils. QUIICK oils are extra quick at lubricating the moving parts, ensuring easier engine start-up every time. QUIICK engine oil gives total engine protection and excellent fuel economy; these oils also provide protection and enhance performance beyond conventional motor oils. QUIICK engine oils responds exceptionally well to the demanding frequent stop-and-go, city driving conditions.

Performance Standards

SAE Grade	5W-30	5W-40
API	SN	SN
ACEA	C3	C3
BMW	Longlife-04	---
Daimler	MB 229.51	MB 229.51
GM	dexos 2	dexos 2
Renault	---	RN0700/0710
Porsche	---	A40

Features

- Better fuel economy
- Outstanding engine cleanliness
- Protects against rust and corrosion
- Extraordinary oxidation and thermal stability
- Exceptional low temperature performances
- Fully compatible with conventional mineral motor oils and other synthetic engine oils

Applications

- Premium multi-grade oils that are ideal for all season use in passenger cars and light trucks
- Suitable for MPVs, SUVs, light-duty engines and turbocharged engines, and high-rev engines for which an API SN performance grade is specified
